

Winslow Therapeutic Center invites you to join us in a wonderful, inexpensive, cost effective advertising opportunity for your business. At the same time you will be supporting children and adults with special needs. The advertising will be a 4'x 3' Billboard in the Winslow Therapeutic Center's arena. Each month we have over 1,000 clients and visitors from our local area, Rockland County, Westchester, New Jersey, and New York City utilizing our facility. Our Annual Gala guests come from the Tri-State area. In addition to the billboard we offer a free exchange link to our web site, winslow.org. This program gives you extensive advertising exposure at a reasonable cost.

The annual cost is \$1,000 per Billboard plus a one-time production fee of \$125. Kindly supply a message you would like incorporated with the artwork on the billboard.
