Founded in 1974, Winslow is a non-profit Hippotherapy and Therapeutic Riding Center devoted to the special needs population of Orange County, N.Y. and surrounding counties. Located on 100 acres of scenic land, Winslow's facility is a haven for horses and humans alike.

The organization is devoted to students with many disabilities and learning challenges, as well as those who just want to learn to ride and enrich their lives. Winslow is accredited by the North American Riding for the Handicapped Association (NARHA) as a Premier Center. Proceeds from the evening's festivities will be used to further the work of this worthy community service.

Honoree: Carol Chichester, a consummate leader for empowering youth, and an outstanding supporter of Winslow. Lifetime Achievement Award: Anthony Macerino, Supt. of Vernon schools, beloved friend/educator of children, especially the children of Winslow.
