FUN ON THE FARM!!!

Winslow, founded in 1974, is a not for profit Hippotherapy and Therapeutic Riding Center devoted to the special needs population of Orange County, NY and the tri-state area. Located on 100 acres of scenic land, Winslow's facility is a haven for horses and humans alike. Winslow is dedicated to students with many different disabilities and learning challenges, as well as those who just want to learn to ride and enrich their lives.

Winslow has been accredited by the Professional Association of Therapeutic Horsemanship International (PATH, Intl., formerly NARHA) as a premier Accredited Center.

We believe that every person, no matter what the challenge, can benefit from riding. Individuals who possess a desire to learn about horses and riding in a manner that is natural, relaxed, centered and in harmony with the horse and oneself are excellent candidates for therapeutic riding.

"Healing with Horses" is a service mark of CLC Foundation, Inc.
